76th Annual Convocation
Part II

for the
conferring of degrees for
the Faculties of

Engineering
Business

Presiding: The Chancellor
Mr Peter Savaryn, QC

2:00 pm, Tuesday
June 3rd, 1986
Northern Alberta Jubilee
Auditorium

The Order of Academic Procession

The audience and graduands will remain seated during the musical prelude. Following a pause in the music the band will play the opening bars of the processional music to signal the arrival of the Chancellor and other members of the Platform Party. The audience and graduands should then rise and remain standing until after the Invocation.

Music provided by the University of Alberta Convocation Band under the direction of Ernest Dalwood, AMus.

The assistance of the Music Performance Trust Fund and the Edmonton Musicians' Association is gratefully acknowledged.

Please refer to the inside back pages of this program for a short history of academic dress and other academic information.

National Anthem

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada, we stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee,
O Canada, we stand on guard for thee.

Hymne National

O Canada! Terre de nos aieux,
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l'épée,
Il sait porter la croix!
Ton histoire est une épopée des plus brillants exploits.
Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits,
Protégera nos foyers et nos droits.

Recession

Members of the audience are requested to remain in their seats until the Platform Party and the graduates have recessed.

Following the Convocation ceremony light refreshments will be served. The University extends a cordial invitation to all persons present at Convocation to attend, especially the graduates of the day, their families, and friends. Reception locations are noted below.

First balcony foyer: Faculty of Business

Main floor foyer: Faculty of Engineering

The Presentation

The Associate Dean of the Faculty of Engineering asks the candidates for degrees to rise, and presents them with these words:

"Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

The Pledge

The President, then rising, addresses the candidates in these words:

"Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges and liberties of this your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honor of your University, the encouragement of learning and the good of your country?"

Each candidate replies: "These things I pledge myself to do."

The Admission

The Chancellor then addresses the candidates in these words:

"By virtue of the authority vested in me by the Legislature of this Province, and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights and privileges pertaining to such degrees, and I charge you to use them for the Glory of God and the honor of your country."

Graduates then sit down.

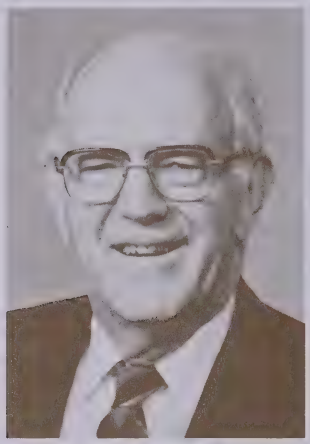
Honorary Degree Recipient



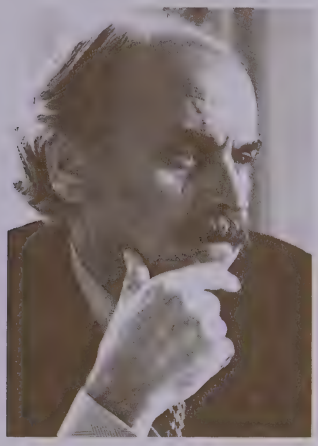
Dr. Sherburne McCurdy, who was President of Alberta College for 14 years, has been actively involved in the field of education for over 35 years. Beginning in his native Nova Scotia, Dr. McCurdy received his bachelor and master's degrees from Dalhousie University. He was Principal and Teacher at Prince of Wales College in St. John's, Newfoundland for 12 years, and served as President of that Province's Teachers' Association and of the National Canadian Teachers' Federation.

He moved to Edmonton in 1962 to lecture at the University and to study for and receive his doctorate. Dr. McCurdy than returned to Newfoundland to become Supervisor of Instruction, United Church Board of Education. He also served as President of the Cabot Chapter of the Canadian College of Teachers and from 1967-71, was Executive Secretary of the Newfoundland Teachers' Association.

Dr. McCurdy accepted the position of Alberta College President in 1971 and moved back to Edmonton. His interest in the field of education led him to become President of the Edmonton Association for Continuing Education and Recreation and of the Education Society of Edmonton. He is a former University Senate member and chaired the Senate Task Force on Second Languages.

Dr. McCurdy is a dedicated promoter of the classics and is well known as Founder, President and Executive Director of the outstanding Bach Tercentennial Festival (Tribach, Edmonton, 1985) to which he offered inspired leadership, facilitating a high degree of volunteer participation in this project across the Province.

Honorary Degree Recipient



Dr. Bohdan Hawrylyshyn has been involved with the International Management Institute (IMI) in Geneva, Switzerland since 1960 when he joined the faculty as Director of Studies. In 1968, Dr. Hawrylyshyn was appointed Director of the Institute and since then has guided it in becoming one of the world's top international business institutes. As Director, he has made the IMI a forerunner in the development of international management education which has 'graduated' some 19,000 business executives and public servants from more than 100 countries.

A native of the Ukraine, Dr. Hawrylyshyn came to Canada from a German refugee camp on a contract as a lumberjack (he had been taken to Germany when he was 18 as part of a forced labor battalion). He was one of the first 'displaced persons' to be admitted to the University of Toronto where he graduated with a bachelor and master's degrees. He earned his Doctorate in Economics from the University of Geneva.

Dr. Hawrylyshyn is a member of the Club of Rome; a Fellow of the World Academy of Arts and Sciences; and Vice-Chancellor of the International Academy of Management. His articles and books have been translated into at least 10 different languages and his latest book, *Road Maps to the Future,* has had a profound impact not only on Western Societies but also on the socialist world.

Gowns, Hoods, and Mortar Boards

The tradition of academic dress dates back to the early 14th century. Its origins seem to have been mainly ecclesiastical but partly functional. Since the early institutions of higher learning in England were run by and for the members of religious orders, clerical discipline prevailed, and tonsured heads and clerical garb were required. However, it is probable that long woolen gowns were considered necessary in any case to shield medieval scholars from the dampness and cold of the unheated buildings and that hoods were used to provide warmth to their shaven heads.

The hoods or cowls of monastic orders, which in warm weather could be thrown back to fall between the shoulders, were superseded as headdress by the ecclesiastical calotte or skull cap, but were retained as a sort of cape. After the Reformation the clerical skull cap was replaced by the academic "round cap", a circular, velvet bonnet, which is still prescribed for higher degrees by a number of universities. The mortar board, the hard, square cap that is so commonly used as academic headdress today, evolved from the softer, more flexible "square cap" that was introduced in England in about 1490.

From these early beginnings a code of academic dress gradually evolved. Colors were introduced in the borders and linings of the hoods to distinguish between degrees in different fields of study, and a variety of patterns of both gowns and hoods was developed to distinguish between different levels of degrees.

Stoles

University Governors and Senators are eligible to wear stoles bearing the crest of the University over their gowns, gold faced for Governors and green faced for Senators. In addition they may wear mortar boards with gold or silver tassels.

Degrees with Honors

Degrees with Honors are awarded in two classes, First Class Honors and Honors, to students in the Faculties of Arts or Science with approved qualifications, who follow a more concentrated course of study in a special field under departmental supervision and in accordance with the requirements of the faculty and department.

Degrees with Distinction

The general university provision is that, at the discretion of the faculty concerned, the notation "With Distinction" is inscribed on the permanent record and graduation parchment of a candidate for any degree (except an honors or graduate degree), if the candidate has obtained a grade-point average of 7.5 or higher over the last two years of the program.
